Students enjoying snack from our Recess Snack cart!

Dear Families,

Cold and Flu Season is upon us and we are asking for your support in keeping all of our children and staff at school healthy by having your child stay home when they are sick. Remember also that they should stay home until they are free of their symptoms (such as vomiting or a fever), for 48 hours. We've had an increase of sick students at school, so thank you in advance for keeping your child at home if she or he is sick. If you have any questions or concerns, please do not hesitate to contact me at the office.

Kathy Pantaleo

Principal

**January 26th is a Professional Development Day - no school on this day.**

### **Snack Shack!**

**This Wednesday at recess our PAC is selling a variety of snacks. Back by popular demand is Crazy Bread! Bring your loonies!**

### **Hold and Secure Drill on January 24th**

On Wednesday, January 24th we will be practicing a Hold and Secure Drill to simulate effective responses to potential safety threats. A Hold and Secure drill is when we practice for situations that might happen in our neighbourhood such as a broken gas line. A notice with more information about this was sent home today.

### **Seeking Feedback on our New District Vision Statement**

You are invited to provide written feedback and comments on the revisions that were made to the Richmond School District's Policy 100. This policy is important to everyone in the District because of the impact it will have in our classrooms, schools, and worksites. For more information, and access to the link, please visit our School District website:
