Dear Families,

We hope that everyone had a restful and relaxing winter break. A new year brings time when we set goals for ourselves or try something new. At Kidd, we're jumping back into school with drumming lessons this week, basketball for students in Grades 4 - 7, as well as Drug Abuse Resistance Education (DARE) for our students in Grade 5! All great opportunities for our students to learn something new in January. If you have any questions or concerns please do not hesitate to contact me at the office.

Kathy Pantaleo

Principal

January 26th is a Professional Development Day - no school on this day.

Skating in January!

We're going skating at the Richmond Ice Centre on January 31st and February 1st! Students in Divisions 2 - 8 will be skating on the first day, and students in Division 1 will be skating with the International Students on February 1st. Skating will cost \$5.00. A notice will be going home today.

Drumming in January!

We are very excited for our first week back to school in January! Milton Randall, the talented drumming instructor from Groove Masters Production, will introduce our students to a variety of drums and techniques from Tuesday to Friday with a performance Friday afternoon at 1:10pm! Families are welcome to join us and see what our students have learned. Thank you to our PAC for helping sponsor this wonderful opportunity for our students!

International Students Coming to Kidd

At the end of January, we will be hosting 24 Grade 7 students from China for one month! They will be here to learn English, and understand more about Canadian culture. There will be another classroom teacher at our school who will be teaching the International Students during their stay. We are excited to have them visiting our school and we will make sure that they feel welcome during their visit!
