Last Tuesday was a great day for our students at the Track Meet! The sun managed to shine on us, and our students all tried their best. While it can be hard at times to wait for your event, or sit in the stands with cheering children, Track Meets such as this one provide our children with memorable experiences and a chance to try something new. We believe in providing all students with the opportunity to participate, and we were all impressed with how well our students participated and encouraged each other. **This Friday at 1:00pm, we will be handing out the ribbons to students who placed 8th or higher in their event.** Families and friends are welcome to join us for this celebration!

This is a reminder that on Friday, June 9th we will be having a BIG celebration at Kidd from 5:00 - 8:00pm. There will be a live band, hot dogs and hamburgers, a silent auction and more! A form will be sent home soon with all of the information. Looking forward to a great evening!

Class Placement Requests

Kidd staff spends thoughtful time deciding on the placement of our students in classes for next year. There are many factors that are important

considerations, and classes are always subject to change in September depending on enrolment numbers. Factors such as strengths and stretches as a learner and friendships are all things that we look at during our meetings. If you have information about your child that you would like for us to

consider for his or her placement next year, please email Mrs. Pantaleo (kpantaleo@sd38.bc.ca) or send a letter to the office by **Friday, June 2nd**. Please note that your input should not include a request for a specific teacher, but rather information that will help us make our decision during the placements.
