12:05 - 12:45 - Lunch

2:38 - Dismissal

Jada presenting her painting to the Lieutenant Governor

Last Friday was a special day here at Thomas Kidd. The Honourable Judith Guichon, Lieutenant Governor of British Columbia came to visit our school. Our students amazed and impressed Her Honour from the thoughtful presentations, to the sing-a-long at the end to 'Canada Is' by Michael Mitchell. Her Honour was also presented with a beautiful work of art created by Jada. We were all so proud of our students and how respectful they were of this special guest. While we may be a small school, we have a big heart and it sure showed on Friday! Thank you to all of the friends and family who were also able to come to this special assembly.

Kathy Pantaleo

Principal

Track Meet on Tuesday, May 9th!

Looking forward to a great day this coming Tuesday! A notice will be going home on Friday with a schedule of the events.

Satisfaction Survey

The Ministry of Education's Satisfaction Survey is now available online for parents of Grade 4 and 7 students for parents to complete. A login ID is not necessary - you can go to the website and select the Richmond School District and Thomas Kidd to complete the survey. Grade 4 and 7 students will complete the survey at school.

Please complete by May 22nd.

Class Placement Requests

Kidd staff spends thoughtful time deciding on the placement of our students in classes for next year. There are many factors that are important considerations, and classes are always subject to change in September depending on enrolment numbers. Factors such as strengths and stretches as a learner, friendships, and number of

boys and girls in the class are all things that we look at during our meetings. If you have information about your child that you would like for us to consider for his or her placement next year, please email Mrs. Pantaleo (kpantaleo@sd38.bc.ca) or send a letter to the office by **Friday, June 2nd**. Please note that your input should not include a request for a specific teacher, but rather information that will help us make our decision during the placements.

Changing our Lunch Schedule

We're noticing lately that many students struggle with eating and finishing their lunch after they have played outside.

Starting next week, we are going to try to change that and have students eat their lunch first, and then play outside. We

will also be giving students a chance to eat outside or in different places around our school such as the gym so that they can eat with friends in other classes. Starting next week, please ensure your child's lunch is dropped off by 12:05pm. At the end of the school year, we will decide based on everyone's feedback which schedule works best for our students.
