Dear Families,

Tomorrow educators in our district will be learning together at three Secondary sites in the morning, and back at their own schools in the afternoon. Topics will range from understanding learning through big ideas, inquiry learning, reflection with the core competencies, the Aboriginal perspective, assessment, career education, and applied skills and design technology. These topics are all a part of the new curriculum this year. All areas of learning are based on a "Know-Do-Understand" model to support a concept based competency-driven approach to learning. If you have any questions or concerns, please contact me at the office.

Kathy Pantaleo

Principal

Friday, November 24th is a Curriculum Implementation Day - School is closed on this day.

Mark your calendars! On Friday, December 8th from 5:00pm - 8:00pm our PAC is planning a wonderful evening for the whole family. A notice was recently sent home with more details as well as a sign up to volunteer. Copies are available in the office. We hope to see you there!

Volleyball Season Has Come To An End!

Thank you to Mr. Ritchie and Ms. Neschki for coaching our Grade 6/7 volleyball team this year. The team improved so much and had a great time playing the other schools. Last Wednesday they joined schools around the District for an evening of volleyball at MacNeill Secondary! Today we also had a Staff vs. Students game while other students cheered everyone on. It was a great way to spend a lunch hour!

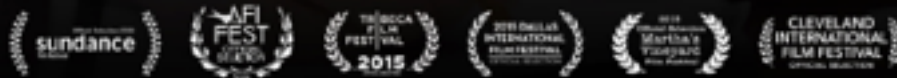

Traffic Safety at Kidd

Thank you to everyone who has already returned their signed petitions about having speed deterrents installed along Shell Road into the office. We are continuing to collect the petitions, so if you haven't had a chance to complete yours, and would like a copy of the petition, please see us at the office. We hope to learn more in the New Year. If you have any further questions, please do not hesitate to contact Mrs. Pantaleo at the office.

Most Likely To Succeed

Back by popular demand! Join us for a screening of this award-winning film and a morning of dialogue about what matters most for students today.
