Playing in leaves on a beautiful fall day!

Dear Families,

You may have noticed that we have new signs in our parking lot. There are times during the day, especially before and after school, when we notice that cars are driving in the other way causing traffic jams. We are hoping that the new signs will help all drivers know which way to enter and exit the parking lot. If you have any questions or concerns, please contact me at the office.

you there!**

Remembrance Day Assembly

This Friday, November 10th, we will have our annual Remembrance Day Assembly at 11:00am. All families are welcome to join us. **Please note that there is no school on Monday as Remembrance Day falls on a Saturday this year.**

Traffic Safety at Kidd

Seeing traffic speeding along Shell Road is a common occurrence at Kidd, and we are concerned for the families who need to cross Shell Road each day to come to school. Currently, Cst. J. Robert is writing a report about this very issue, and is asking for our help to have some form of a speed deterrent (such as speed bumps) installed in front of our school. In the next few days, you will be receiving a petition from our PAC that we hope you will sign. The greater the support from our community, the more successful Cst. Robert will be with his efforts. If you have any further questions, please do not hesitate to contact Mrs. Pantaleo at the office.
