## TRANSFER REQUESTS?

Are you considering a new school for your child for September 2024? Is your child in grade 7 looking to attend a high school other than their catchment one? The application form and information is available now for parents to download here [Transfer Application for 2024/25](#)

Transfer applications are to be used by students who live outside of the catchment area for a requested school but would like to apply to attend there. If you have moved and want to apply to attend your new catchment school, please complete a registration, not a transfer application. Students must currently be registered in the Richmond School District to complete a transfer application.

First round transfers for the 2024/25 school year will begin February 5, 2024. Transfer forms will be updated January 2024. **Please make sure you are using the most up to date form.**

## MINISTRY OF EDUCATION Gr. 4/7 PARENT SURVEY

Each year the Ministry of Education asks parents of grade 4&7 students, and school staff to complete a learning survey. If you have a child in grade 4 or 7, please take a little time to visit [http://www.bced.gov.bc.ca/sat\\_survey/access.htm](http://www.bced.gov.bc.ca/sat_survey/access.htm) to share your thoughts and ideas. Your opinions will help guide the future of education in BC.
