November 1, 2024. Families are encouraged to register any time during the Priority 1 registration period (**November – January**) for the best chance at attending their catchment school. All registration

applications completed any time during the Priority 1 registration period will receive placement decisions via emails from the school by February 3, 2025.

### With Gratitude

Thank you, Thomas Kidd P.A.C for having the bake sale on Wednesday. The students were very excited about the sale. Also thank you to the families who brought baked goods for the sale.

Thank you again to Mr. Gens from G.J. Farms for the generous pumpkin donations. Every student was able to have a pumpkin on Tuesday to carve because of Mr. Gens.

### Student Lates

We are noticing an increase in the amount students arriving late each day. We know that sometimes it can be hard to get students to school on time, but each minute lost from instructional time can impact on a student's learning over the year. It can also be hard for students to start the day when the class is well into the morning activities. We want our students to have a successful start to the day.

## Daily Health Check

SHOULD I GO TO SCHOOL TODAY?

We appreciate your support in keeping your child home when they are not feeling well.

**Students should not come to school when they are sick.**

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**

## Dress for the Weather

As our weather is wet and cold, it might be helpful to bring:

rain coat

rain pants

rain boots

mittens and scarf

winter coat

extra clothing including socks
