Reminder

Parking Lot Safety

There is limited space in our school parking lot. We ask that you take extra precaution by driving slowly and using designated parking spots when dropping off your child. Please do not drop off your child in the driving lanes as there are cars driving around and backing out of spots.

In addition, we ask that you do not park on the north side of the building. This is a “no parking lane” due to school bus and district vehicle access.

Thank you for your help in keeping our parking lot safe for our community.
