Year End Message

We want to thank our Kidd families for all your contributions. From our dedicated PAC volunteers to parents who have helped where they can, you have all made our school a better place for children and for this we are grateful.

We also want to thank you for trusting us with your child (ren). They have been our inspiration all year long. Each of them has grown and learned this year. Each day they demonstrate care, compassion, resiliency and determination. Through a simple smile or a quick “hello” in the hallway, our students always bring joy to our day. They are the “heart” of our school and the reason why we are here. To be able to work with each of them is a gift so we thank you for this opportunity.

Over the summer, please take time to pause, and reflect on what has been a great year at Kidd. On behalf of the Kidd Elementary staff, we want to thank you for your support and involvement this year. We feel fortunate to be working in the Kidd Community.

For leaving students, staff and families, we wish you the best of luck in the future. Thank you for being part of our community. For those returning, we are looking forward to learning about your summer adventures in September.

Have a fantastic summer! Be safe and have fun!

Summary of Learning (Report Card)

MyEducation BC is the secure, provincial Student Information System. The MyEd BCParent Portal account provides you with access to your child's demographic information, records of academic achievement, assessment records, and current written updates (Report Cards).

All parents/guardians should already have either an active MyEd BC Parent Portal account or received an email from sysadmin@myeducation.gov.bc.ca with login account instructions.
