## Student Learning Survey 2025/26

Parents and Caregivers: your voice and your feedback is important to us!  
Parents click [here](#).

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in 2026, the Student Learning Survey will be administered to Kidd students in grades 4 and 7 (only), their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The e-survey site will be open until May 1, 2026.

If you have any questions, please contact the school at [kidd@sd38.bc.ca](mailto:kidd@sd38.bc.ca).
