Daily Health Check

SHOULD I GO TO SCHOOL TODAY?

We appreciate your support in keeping your child home when they are not feeling well.

Students should not come to school when they are sick.

If your child is not feeling well please continue to keep them home until their symptoms have resolved. If you know your child will be absent for a range of days, please leave that information as well.

Staying home when sick helps keep our entire school community healthy including teachers, admin staff and students. **Please do your part and stay home when sick.**
